#### Definition of the key terms

#### Continuing Professional Development

Continuing professional Development (CPD) is a lifelong learning process engaged by individual both formal and informal to maintain, improve and develop awareness on updates of knowledge, skills and attitudes related to nursing and midwifery practice to ensure the carrier competencies are retained for quality services

**CPD Points**: Means score that an individual obtained for participating in organized CPD activities.

**CPD credits**: Means are points gained by a participant's equivalent to number of contact hours in anactive participation in CPD activities

**CPD scope**: Means varies of defined activities as determined by the Council to be practiced by different level of nurses and midwives that provides learning needs and its application into practice

**CPD Provider:** Means an individual company, Institution, Organization, Agency officially established and organized to offer quality education learning/training to nurses/midwives aiming at enhancing knowledge, skills and attitude for client care and better services provision

**CPD Program:** Means planned series of learning events with performance to improve the situation with intended expected outcome

**CPD verifier/supervisor:** Means an authorized person for verification of CPD activity. In this arena term the Hospital/Regional/ District/Facility Nursing / Department in-charge

**CPD category of activities:** Means ranges of in –service learning and practice activities (short term learning sessions) that are within the nursing and midwifery scope of work. These activities awarded in terms of its relevant and contribution in the field in improving quality of survives deliver

.

- 1. Obtain your CPD logbook from the www.tnmc.go.tz
- 2. Obtain CPD learning materials from various methods includes online, and manually
- 3. Use your official names as appears in the registration, certificates and license
- 4. Identify individual/organization learning needs professional development
- 5. Attend relevant CPD activities throughout of your professional practice
- Use the logbook for continuing education topics/activities that are relevance, currently, accessible, available, and affordable in application to nursing field and practice you are doing
- Record and sign all the continuing education hours immediately after every sessionin a chronological order
- 8. Present the logbook to supervisors for approval before renewal of practice license.
- 9. It is an offence to present false information in this logbook
- 10. Obtain a minimum of 60 points of continuous professional Development in three years i.e., twenty (20) point in each year. CPD points will be allocated following active learning for different activities
- 11. Attach summary sheet of CPD points with licensure renewal application form
- 12. CPD activities must be confirmed and signed by immediate supervisory authorities at your working place
- 13. Keep your logbook for evidence at least for a period of 6 years
- 14. CPD must be intentionally for learning purposes and not part of your job description
- Clinical learning activities ARE MOST valuable area of CPD practice to demonstrate ongoing competence acquisition

#### MINIMUM REQUIREMENT

- CPD is mandatory for each nurse or midwife to obtain not less than 60 points of CPD activity
  within three years (A minimum of 20 points per year) However, the individual may obtain more
  than 60 points (more than 20 points each calendar year) as directed in the National CPD
  framework.
- CPD category of activities must include mixture of accredited and nonaccredited theoretical, practical and Community oriented learning materials organized and delivered by TNMC recognized Institutions, Facilities, Agencies and Organization
- 3. A total of minimum 60 points must be attained in 3 years.

#### Distribution of points

Acquisition of the CPD points may be direct obtained by participation in a formal program of study organized and offered by an accredited or approved provider of education of from informal learning, self-directed learning, and experiential learning

**Table: Show Number of CPD points distributions** 

SN	CPD	Distribution of Points in %	Points in Number			
			2023	2024	2025	
1	Non-Accredited and Formal and Informal CPD	50%	10	10	10	
2	Accredited Modules	30%	6	6	6	
3	Online CPD	20%	4	4	4	
	Total CPD Points	100%	20	20	20	

**N.B:** Institution's/ Agencies/Programs and Projects are insisted to prepare and offer accreditation CPD modules for nurses and midwives.

#### **CPD Priority Areas yearly**

- i. Professional Ethics and professionalism
- ii. Communication and customer care
- iii. Infection Prevention and Control
- iv. Emergency and Critical care
